

# A Trusted Partner in Healthcare Staffing Innovation

Mitchell Martin provides temporary and direct hire assignments in a diverse set of clinical disciplines and locations nationwide, offering support staff 24 hours a day, 7 days a week.

We've built an extensive talent pool spanning 35 years of service which includes both tenured and freshly graduated candidates. This enables us to provide excellent ongoing support for our clients including hospitals, managed care organizations, corporate wellness, community health centers, ambulatory surgical centers, nonprofits, skilled nursing, schools and imaging centers.
